Test Name	N°	Field/Change (Only fields that change are included here.)
Amylase, Urine, Random	501032	This assay is no longer available.
Calcium, Urine, Random	500051	This assay is no longer available.
Chloride, Urine, Random	500383	This assay is no longer available.
Fibrin Monomer	300202	Procedure Soluble Fibrin Monomer, Qualitative CPT 85362 Additional Information Changes effective March 15, 2011
Glucose, Urine, Random	501191	This assay is no longer available.
Microalbumin, Urine	502440	Performing location Endocrine Sciences (This test has been available through LabCorp's network of laboratories and is now being performed at LabCorp's Endocrine Sciences laboratory location.) Additional information Change effective January 24, 2011
Phosphorus, Urine, Random	500384	This assay is no longer available.
Potassium, Urine, Random	500382	This assay is no longer available.
Sodium, Urine, Random	500381	This assay is no longer available.
Total Protein, Urine, Random	500712	This assay is no longer available. LabCorp offers Protein, Total, Quantitative, 24-Hour Urine (003277) .*
Urea Nitrogen, Urine, Random	501426	This assay is no longer available.
Uric Acid, Urine, Random	501423	This assay is no longer available.

*Visit the online *Test Menu* at www.LabCorp.com for full test information, including CPT codes and specimen collection requirements.

The CPT codes included in this publication are in accordance with *Current Procedural Terminology*, a publication of the American Medical Association. CPT codes are provided here for the convenience of our clients; however, correct coding often varies from one carrier to another, and Esoterix may bill specific carriers using codes other than those shown. Clients who bill for services should verify the codes with the applicable payor to confirm that their use is appropriate in each case.
